

# HYMN: MY CROSS

Arabic Salibi ya salibi

My cross, my cross,  
My glory is in you!  
I place you on my bosom,  
And in my bedroom too.

*Refrain:*

My cross, my cross,  
You're made of lowly wood,  
But in my heart, my cross,  
You're more precious than gold.

+++

My cross, my cross  
Is with me everywhere:  
I sign you every morning.  
And whenever I fear.

My cross, my cross,  
My victory's in you!  
The pledge of my success  
In whatever I do.
