

HYMN: MY CROSS

Arabic Salibi ya salibi

My cross, my cross,
My glory is in you!
I place you on my bosom,
And in my bedroom too.

Refrain:

My cross, my cross,
You're made of lowly wood,
But in my heart, my cross,
You're more precious than gold.

+++

My cross, my cross
Is with me everywhere:
I sign you every morning.
And whenever I fear.

My cross, my cross,
My victory's in you!
The pledge of my success
In whatever I do.
