

A PASCHA GUIDE AND ACTIVITY SHEETS FOR KIDS GRADES K-5

PARENTS - please read and discuss this message with your kids...

Have you ever noticed that some people are SO excited for Holy Week that it seems like they literally cannot WAIT for it? And then have you noticed others who dread it and moan and groan when that time of year rolls around? Many of us have experienced both sides of this, and really what makes the difference is one thing: PERSPECTIVE.

What if you were told that after successfully attending every single service of Holy Week with complete focus and with all your heart, then you would win an incredibly large and valuable prize? ... you would put all your effort into making that happen, right?

Well SURPRISE! That is actually exactly what happens if you attend every service with full focus and all your heart! We earn a HUGE reward, and (spoiler alert!), it is one that matters much more than anything here on Earth.

Put this into PERSPECTIVE: If a small bird carried every single grain of sand from here to the sun, one by one, from all the beaches on the earth... even then, that would not be as long as eternity. So, is it worth it to invest in your eternity? We sure think so! And clearly, our church fathers thought so too!

The word "Pascha," which comes from the word "Passover" is about NEW LIFE after the Resurrection. All of us have something that needs to die in us: We have bad habits, grudges, shame, sin, and probably other hidden things. All of us have something that we need to be rid of (but maybe have been unable to or were scared to do it). This week we have the opportunity for this piece of us to die, and then we are resurrected into a new life with Christ. How refreshing does that sound? The payoff is both immediate and for eternity.

So fix your eyes on Christ, change your perspective, and be prepared to have an amazing Holy Week!

HEY KIDS - OUR MESSAGE JUST FOR YOU....

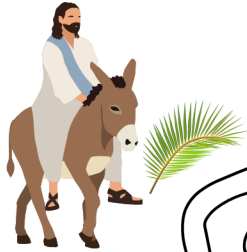

HEY KIDS!!!! This packet includes all sorts of activities - coloring sheets, word searches, code breakers, journal pages, and more so that regardless of your age you'll find something that will help you get the most of the events this week! In addition we have some helpful tips for you to keep in mind this week as you journey through Holy week!

- **ATTEND.** Attend as many services as you can this week
- **FOLLOW THE READINGS.** The readings follow a pattern - listen to the prophecy and the Gospel - there is a message there for you!
- **GET A JOURNAL.** Use this journal or your own journal to meditate and think through the readings and how they apply to your life. You can do this during the long sung Psalms - it is ok!
- **CUT OUT THE DISTRACTIONS.** Hopefully you are doing this already with fasting, but this is a great week to step it up a notch. Cut out TV, video games, social media, etc. Cut down as much as you can and gaze your focus on Christ.

THE CRUCIFIXION GOOD FRIDAY

The Disciples must have been so sad to see their Teacher, their Lord being Crucified. Jesus, though, had a BIGGER plan. *Matthew 27*

As we listen to the prayers today, remember that God sees the whole picture, when we only see a piece. Using your imagination, fill in the missing "piece" in the pictures below.

Use the back of this sheet to write down three examples of hard situations you faced this week and pray for God's BIGGER plan!

FACING PILATE'S QUESTIONS:

Jesus stood with strength so true, Pilate asked,
but He already knew. "For love and truth, I stand
here today, My path ahead, I pave the way."

JESUS CARRYING THE CROSS:

With each step, His love so true, Jesus
carried the cross for me and you.
